

Your Time With Us Is Reserved Only For You!

When you schedule an appointment, we reserve that time just for you with our dental team and doctor. We are committed to honoring the appointment time of our scheduled patients, so it is critical that you confirm and honor your appointment.

We understand today's world is hectic, so we are making every effort to confirm your appointment as easy as possible. We provide a convenient way to communicate with our patients through a friendly third-party text message or email appointment reminder system.

We understand that sometimes schedule adjustments are necessary. Therefore, we respectfully request at least 24 hour notice for cancellations or rescheduling of appointments.

We do not want appointment timeslots to go to waste. If you do not confirm your appointment within 24 hours of the scheduled visit, we do reserve the right to fill that appointment time with patients anxiously waiting to be seen from our wait list.

We are dedicated to giving our patients the best customer care possible!
